Precision detail trimmer

Dual blade precision detail trimmer

The Philips Norelco Detail trimmer manages your grooming needs quickly and easily. With the dual blade flexing head, you'll be able to give those small spots the detailed shave or trim they need.

Easy to use

- Soft-touch rubber grip for maximum control
- 2-year warranty

Designed for precision

- Dual sided blade, for small spots and detailed trim
- Flexing head for more control in hard to reach areas
- Evenly trim and maintain eyebrow hair

Highlights

Dual sided blade

Comfortably remove unwanted hair.

Flexing head

32 degree flexing head for more control in hard to reach areas.

Eyebrow comb

Use the trimmer with the dual sided comb to trim hairs in two different lengths (2mm and 4mm).

Soft rubber grip

The soft-touch rubber grip gives you the best hold, even when wet, for better control when operating your trimmer.

Built to last

All of our products are built to last and come with a 2-year worldwide warranty.
