- Fits with most cup holders

# PHILIPS

Filtration bottle  
550mL/18.6oz Instant filtration, Stainless steel, insulated, Paradise green

AWP2771GNO/37

# Highlights

## Keeps water cold

Double-wall vacuum insulation keeps the water cold for hours, so that you can stay refreshed.

## Dishwasher-safe

All parts are dishwasher-safe (max. 50 degree Celsius) except for the filter.

## Economical and eco-friendly

Great tasting water at a fraction of the cost and waste of bottled water.

## Cup holder friendly

The bottle can fit well with most standard sizes of cup holders.

## Filters as you sip

Just insert the filter into the straw, then reattach the straw back to the lid before screwing the lid back onto the bottle. Take a sip and enjoy!

## Ice cube friendly

The wide-rim design allows standard ice cubes to pass through.

## Food-grade stainless steel

Made of food-grade 18/8 stainless steel

## Everyday filter

Made of highly porous activated carbon fibre, Everyday filter improves the quality of tap water by reducing chlorine, without compromising the water flow.\* Simply fill the bottle, sip and enjoy!
