AWP2732GN/79

Highlights

Dust-proof

The bottle comes with a dust-proof cap, so that the mouthpiece stays clean.

Leak-proof

The leak-proof design ensures that the water doesn't spill inside your bag.

Dishwasher-safe

All parts are dishwasher-safe (max. 50 degree Celsius) except for the filter.

Delicious water

Great tasting water at a fraction of the cost and waste of bottled water.

BPA-free Tritan bottle

Made of BPA-free Tritan plastic, the bottle is more durable, lightweight, heat- and shatter-resistant.

Fits with most cup holders

The bottle can fit well with most standard sizes of cup holders.

Filters as you sip

Just insert the filter into the straw, then reattach the straw back to the lid before screwing the lid back onto the bottle. Take a sip and enjoy!

Ice cube friendly

The wide-rim design allows standard ice cubes to pass through.

Turns tap water into crisp and pure tasting water

Made of highly porous activated carbon fibre, Daily filter improves the quality of tap water by reducing chlorine, lead and pesticide, without compromising the water flow.* Simply fill the bottle, sip and enjoy!
