## Home projector

True Full HD 1080 p Resolution Philips OS with pre-loaded app, Multiple images corrections, Wi-Fi, Bluetooth and HDMI

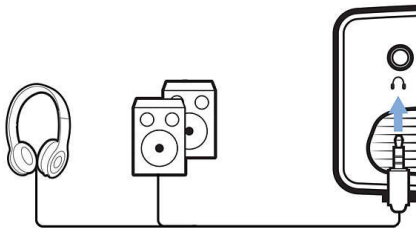

# Highlights

### Advanced LED Light Source

The powerful LED light source displays rich, vivid colours and will last up to 30,000 hours. You won't need to replace it as it lasts 20 years with an average usage of 4 hours per day! Additionally, the power consumption is far lower than a regular lamp-based projector, which means you benefit from a bigger screen and fully immersive experience, all through an eco-friendly device!

### Audio jack

Connect any headphones or external powered speakers with the built-in 3.5 jack.

### Built-in Media Player

Pop your essentials in your hand with the integrated Media Player: Browse, watch all of

your videos, listen to your music or share your latest holiday pictures.

### Fully Connected

Connect any multimedia devices such as set top boxes, PC, MAC, gaming consoles and streaming devices like Fire Stick or Apple TV with the USB, HDMI or MicroSD ports.

### Project images up to 65"

Entertainment in every room, project anything up to 65" (165cm) diagonally.

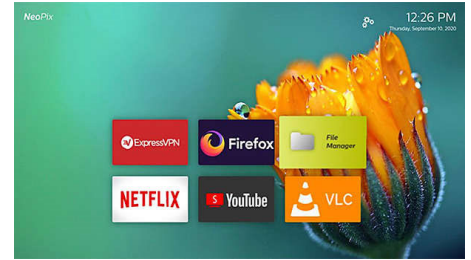

### Customised projection

Place the product wherever you want! The keystone correction combined with the focus technology and the 4 corners correction allow you to fine-tune images to your needs and place your projector at any distance.

## NPX642/INT

### Smart Philips OS system

Integrated smart Philips OS with pre-loaded apps like YouTube, Netflix, Firefox and more! (more apps will be pushed via FOTA). The Dual Band Wi-Fi connectivity brings you the speed you need to stream all of your content.

### Stereo speakers

## STEREO

Integrated stereo speakers with equalisation and surround sound.

### True Full HD 1080p resolution

Get a captivating experience in True Full HD 1080 p! Pictures and colours remain lifelike with outstanding full high definition sharpness for text.
