Highlights

Get the best out of your water

Enjoy crisp and pure tasting water, as well as flavourful hot and cold drinks. Philips Micro X-Clean Softening+ filter reduces chlorine, limescale, heavy metals and emerging contaminants such as microplastics and PFOA, PFOS.*

Up to 50% more hardness reduction*

With 50% more ion exchange resins, Philips Micro X-Clean Softening+ filter is with enhanced water softening performance for hard water areas, which provide you crisp and pure tasting water and flavourful hot and cold drinks, as well as helps to prolong the life of your kettle by preventing limescale build-up.

Made of BPA-free material

Food grade material passed BPA-free certification, it will be safe and healthy for both adult and children

Delicious water at a fraction of the cost of bottled

Great tasting water at a fraction of the cost and waste of bottled water.

Compatible with many oval shape filter jugs

Compatible with Philips water filter jugs using an oval shape filter. Also compatible with BRITA** MAXTRA**, MAXTRA+**, PerfectFit**, and many drop-in oval shape filter jugs.
