Fast and easy operation

- The only coffee pod maker that brews two cups at a time
- 15-minute auto shut-off for energy saving
- Adjustable spout to fit your favourite cup
- The decalcifying light reminds you when to descale
- Direct Start makes your coffee when the machine is heated up
- Intuitive controls for smart guided operation

Coffee variety for every moment

- Choose between 2 recipes: strong short or mild long coffee
- Vast variety of SENSEO® coffee blends and flavours

* Based on retail sales volumes

Senseo®

PHILIPS

Highlights

Strength select function

Prepare your favourite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function on your SENSEO®, you can choose between strong short and mild long coffee.

Delicious coffee crema layer

The fine SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Decalcification indicator

The SENSEO® coffee maker reminds you when to descale. Descale with SENSEO®

Descale every 3 months to keep your appliance limescale free; ensuring: maximal in-cup volume; perfect coffee temperature, and; the appliance's durability. Do not use vinegar, as it might damage your SENSEO® appliance and affects the coffee taste.

Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favourite cup or mug.

Intuitive controls

Operate your Philips SENSEO® coffee machine in a modern and intuitive way with the unique and smart guided controls. The LED indicators guide you through the different functions of your coffeemaker to make your coffee experience even more convenient

Variety of blends and flavours

SENSEO® has a vast variety of different coffee blends and flavours. Each blend has its own distinctive taste to fit your personal preference.

1 or 2 cups at the same time

Prepare 1 or 2 cups of your delicious SENSEO® coffee in less than a minute.

Automatic shut-off

Your SENSEO® coffee machine automatically switches off after 15 minutes, allowing you to save energy.

Direct start

When pressing the 1 or 2 cup button, while the appliance is heating-up, SENSEO® automatically starts brewing your delicious SENSEO® coffee.
