PHILIPS

Steam generator iron
5 bar 230 g steam boost, 1.5 l detachable water tank

GC9220/02

Highlights

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% fast

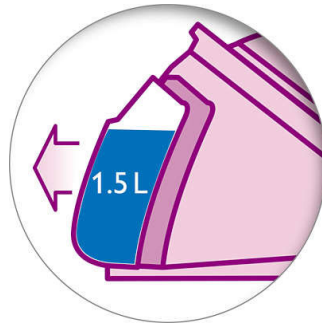

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed excellent ironing results.

Detachable water tank, 5 bar

1.5 litre detachable water tank for up to 2 hours of ironing without refilling.

Steam ready in 2 minutes

Steam is ready to use in 2 minutes and can be refilled at any time during ironing.

Easy De-calc

Ultra-long-lasting steam performance: Philips' exclusive Easy De-Calc function provides the ideal way to get rid of limescale and extend the

lifetime of your steam generator iron. Your iron will remind you to de-calc with light and sound. When your appliance is cold, simply open the Easy De-Calc knob and collect the dirty water and limescale in a cup.

New SteamGlide soleplate

The new SteamGlide soleplate is the best Philips soleplate. Is extremely scratch resistant, glides excellently and is easy to clean.

OptimalTemp

One perfect setting for all your clothes. Always the perfect combination of steam and temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam and temperature 2) The ultra-powerful cyclonic steam chamber delivers powerful constant steam for all your fabrics
