# Highlights

## ComfortCut Blades

27 self-sharpening blades comfortably cut each hair right above skin level for a smooth, even finish, every time. Our self-sharpening blades stay like new for 2 years.

## 4D Flex Heads

Floating heads flex in four directions to maintain even contact with your skin protecting it from nicks & cuts.

## Corded use

No empty batteries, no charging required always ready when you need it.

## One-touch open

The shaver head flips open at the touch of a button to rinse clean under running water.

## Ergonomic grip

Never lose your grip. The ergonomic handle with rubber stays secure and comfortable, even when wet.

## Made with care for the planet

The packaging of this shaver is plastic-free and made out of 90% recycle material, while our blade production facility uses 100% renewable electricity.

## Protective cap

Keep the shaving head clean and safe between shaves or when traveling.
