

Philips PerfectCare Aqua
Pro
Steam generator iron

Max 6.7-bar pressure

Up to 450 g steam boost
2.5-l water tank capacity
Ultra-light iron

GC9405/80

Super-powerful ironing

with ultra-light iron

PerfectCare Aqua Pro comes with our ultra-light iron and extra-large 2.5-l water tank — ideal for long ironing sessions and perfect vertical steaming.

No temperature setting needed; no burning, guaranteed

- Go from ironing jeans to silk; no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

Fast ironing with continuous powerful steam

- Powerful steam for ultimate crease removal
- Easy and efficient descaling system
- Philips' best gliding and most scratch-resistant soleplate
- Save energy with ECO mode

Ultimate ironing experience

- Enjoy powerful ironing with minimum noise
- Lightweight and comfortable to handle
- Extra-large water tank for longer continuous use
- Safe and secure carry lock
- Automatic switch-off for safety and energy saving

PHILIPS

Highlights

2.5-l water tank

The water tank has an extra-large 2.5-l capacity, so you get the convenience of up to 3 hours of continuous use with no need to top up the tank. It's also transparent, so you can get a 360° view of the tank to easily see how much water you have left to continue creating steam efficiently. When you do need to refill, your steam generator iron has a large filling hole that allows you to easily fill the water tank under the tap, or alternatively with a jug or bottle at any time during ironing

Easy De-calc

Regular descaling protects your iron and ensures you'll continue to get the very best steam performance. The exclusively designed and ideally positioned Easy De-Calc Plus function provides the ideal way to get rid of limescale and extend the lifespan of your steam generator iron. The iron will remind you with both light and sound when it's time to clean and descale. Then when your appliance is cold, simply remove the Easy De-Calc knob, collect the dirty water and scale into a cup and discard.

Energy saving

ECO mode allows you to save energy without compromising your ironing results. The ECO mode uses a reduced amount of steam, but still a sufficient amount to iron all your garments.

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

Safe carry lock

Your steam generator iron includes a safe carry lock, which securely fastens your iron to

its base without the risk of it slipping or someone touching the hot soleplate. It ensures safe and easy transportation around the house, to and from storage.

Safe rest

Innovative OptimalTEMP technology guarantees no burning on any ironable fabric. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

Safety auto off

The safety auto-off function automatically switches off your steam generator iron if it has not been used for a few minutes. This saves energy and gives you peace of mind about safety.

Steam generator iron

Specifications

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

Easy to use

- Heat-up time: 2 min
- Water tank capacity: 2500 ml
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 5 stars
- Soleplate name: T-ionicGlide
- Safety auto off
- Cord freedom (swivel): 360 degree cord freedom
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.7 m
- Precision steam tip
- Ready to use: Light indicator
- Soleplate scratch resistance: 5 stars
- Extra-large filling hole

Guarantee

- 2 year worldwide guarantee

Technology

- OptimalTEMP technology
- Cyclonic steam chamber
- For all ironable fabrics
- No burns

- No temperature settings needed
- Silent steam technology
- Smart Control Processor

Fast crease removal

- Pressure: Max 6.7 bar
- Power: Max 2100 W
- Steam boost: Up to 450 g
- Continuous steam: Up to 120 g/min
- Vertical steam
- Voltage: 220 - 240 V
- Ready to use: 2 min
- Variable steam levels
- Steam-on-demand

Green efficiency

- Energy saving mode
- Product packaging: 100% recyclable
- User manual: 100% recycled paper

Scale management

- Descaling and cleaning: Easy De-calc
- Descaling reminder: Light, Yes

Size and weight

- Weight of iron: 0.8 kg
- Product dimensions (W x H x D): 36.2 x 27 x 26.3 cm
- Weight of iron + base: 4.2 kg
