# Highlights

## ProBlend Crush technology

Powerful ice-crush function perfectly crushes cubes for ice-cold smoothies and refreshing desserts twice as fast as previous models.

## Powerful motor

Strong 350W motor for blending, chopping, and mixing easily for fast, consistent, and perfect end-results with right texture.

## Motor Thermal Protection

Avoid breakdowns and overheating for longer blender life.

## Blender jar

The large 2-liter jar has a working capacity of 1.5 L for deliciously blended smoothies to share with the whole family or save for later.

## Quick Select Programs

Instantly select the optimal speed setting for smoothies, sauces, soups, desserts, and ice crushing in the blender jar or sambal, chopping and garlic peeling with the 3-in-1 Sambal Maker.

## 3-in-1 Sambal Maker

One accessory with three attachments: sambal blade, chopping blade and garlic peeler.

Ultimate versatility to make quick work of your favorite recipes.

## Garlic peeler

Peel up to 20 cloves of garlic in just 10 seconds with garlic peeler.

## S-shearing blade

Our patented sambal blade imitates the action of a mortar and pestle, pushing ingredients back towards the grinder for a thick, chunky sambal texture up to 4 portions.

## Chopping blade

Prepare up to 2 portions of fresh bumbu or bakso with the perfect texture every time.
