Comfortable, clean shave

With SkinProtect Technology

Philips Norelco Shaver 2600 Wet & Dry Electric Shaver gives you a comfortable, clean shave for wet and dry use. With 27 self-sharpening ComfortCut blades and a pop-up trimmer, it's fully washable for easy use and excellent value.

Easy to use

- Suitable for head shaving
- Pop-up trimmer for your mustache and sideburns
- 50 minutes of cordless shaving from a 1-hour charge
- One-touch open for easy cleaning
- Battery indicator to know when it's time to charge
- Anti-slip grip for a secure shave
- Convenient charging
- Travel pouch for convenient storage at home or on the go

A clean shave

- ComfortCut Blades for a comfortable, clean shave

Skin Protect technology

- Wet and dry shaving at the sink or in the shower
- 4D Flex Heads follow your face for a comfortable shave

Sustainable

Shaver 2600

Wet & Dry Electric Shaver

X3052/91

Highlights

ComfortCut Blades

27 self-sharpening blades comfortably cut each hair right above skin level for a smooth, even finish, every time. Our self-sharpening blades stay like new for 2 years.

Wet and dry shaving

Choose a convenient dry shave, or pair with your favorite foam or gel for a refreshing wet shave, even in the shower.

4D Flex Heads

Floating heads flex in four directions to maintain even contact with your skin protecting it from nicks & cuts.

Suitable for head shaving

The shaver is designed to be a versatile solution that allows you to confidently shave both your face and head

Anti-Corrosion Shaving System

Our shaver blades are made from surgical-grade hypoallergenic steel to resist corrosion, prevent impurities, and protect your skin.

Pop-up trimmer

Refine and define your mustache and sideburns to complete your look with the pop-up trimmer.

50 minutes of cordless shaving

In just an hour, the durable NiMH battery is fully charged for about 16 shaves. In a hurry? A 5-minute quick charge gives you enough power for one shave.

One-touch open

The shaver head flips open at the touch of a button to rinse clean under running water.

Rubber grip

Never lose your grip. The ergonomic handle with rubber stays secure and comfortable, even when wet.

Highlights

Battery indicator

Don't get caught with an empty battery. The battery indicator lets you know if the battery is low, empty, or charging.

USB-A Charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimize the number of USB adaptors

we put in the market. Should you need an adapter, a suitable supply unit is available via: www.philips.com/support

Made with care for the planet

The packaging of this shaver is plastic-free and made out of 90% recycle material, while our blade production facility uses 100% renewable electricity.

Travel Pouch

Keep it safe and tidy with the convenient travel pouch. Home or away, you're always ready to go.
