Upgrade. Drive. Enjoy.

Quick, easy installation

Upgrade your vehicle's headlights with the Philips Ultinon Access LED range. These bulbs are as quick and easy to install as halogen lamps! Enhance your lighting and enjoy the latest LED technology for your car.

Quick, easy installation

- Plug-and-play installation

Better light performance

- Better light-beam performance than halogen

Reliable Philips quality

- Automotive standards compliant
- Long-lasting performance

Highlights

Plug-and-play installation

With Philips Ultinon Access LED bulbs, installation is so quick and easy that retrofitting them is child's play! There's no need for compatibility checks or adapter rings: Philips Ultinon Access LED bulbs come with an ultra-compact body and an integrated IEC 60061 compatible base. Their direct-fit design features the same footprint as halogen bulbs, enabling straightforward installation in tight spaces. They fit easily into vehicles equipped with H3-type bulbs and ensure broad compatibility with most vehicle models*.

Beam outperforms halogen

Philips Ultinon Access LED bulbs are designed to offer a better light beam performance than halogen bulbs in a compact, universal design. Using the latest innovations in LED technology, they provide the same luminous flux as standard ECE halogen bulbs but significantly improve beam performance using less energy. Philips Ultinon Access LED bulbs provide drivers with better on-road vision, making it easier to spot obstacles and drive more safely.

Automotive standards compliant

Technologically advanced, Philips lighting has been renowned in the automotive industry for over 100 years. Aware that the performance of our products depends on their excellent integration into a modern, rigorous automotive environment, we design our products as closely as possible to the industry standards. Our Philips Ultinon Access LED bulbs comply with EMI standards for electromagnetic interference. Precision-engineered to withstand the rigors of modern automotive life, using our bulbs does not interfere with the regular operation of other vehicle parts.

Long-lasting performance

Philips Ultinon Access LED bulbs are rigorously tested and controlled to ensure long-term durability and long-lasting performance. Our range gives drivers up to three times the life of a comparable standard halogen bulb, with a homogeneous light over the bulbs lifespan! The Philips warranty policy covers Philips Ultinon Access LED bulbs**. Enjoy the best of today's technology with Philips Ultinon Access LED bulbs.

Specifications

Marketing specifications

Product highlight: Direct-fit LED bulb

Expected benefits: Simple and fast installation

Product description

Application: High Beam, Low Beam, Fog

Base: PK22s

Designation: LED H3 11336 12V U2500 C2

Designation LED Type: [≈H3]

Operating Temperature: -40°C / +85°C

Range: Ultinon Access

Technology: LED

Type: H3

Homologation ECE R37: No

Homologation ECE R10

Polarity free

Lifetime

Life time: 1500 hours

Light characteristics

Color temperature: 6000 K

Lumens [lm]: 1400

Electrical characteristics

Wattage: 13 W

Voltage: 12 V

Ordering information

Order entry: 11336U2500C2

Ordering code: 02603394

Packaging Data

EAN1: 8719018026033

EAN3: 8719018026040

Packaging type: C2

Packed product information

Length: 9.15 cm

Width: 4.6 cm

Height: 7.65 cm

Pack Quantity: 2 pcs

MOQ (for professionals): 4 sets / 8 pcs

Outerpack information

Length: 20.2 cm

Width: 10.5 cm

Height: 10 cm
