

Upgrade. Drive. Enjoy.

Quick, easy installation

Upgrade your vehicle's headlights with the Philips Ultinon Access LED range. These bulbs are as quick and easy to install as halogen lamps! Enhance your lighting and enjoy the latest LED technology for your car.

Quick, easy installation

• Plug-and-play installation

Better light performance

• Better light-beam performance than halogen

Reliable Philips quality

- Automotive-standards compliant
- Long-lasting performance

Highlights

Plug-and-play installation

With Philips Ultinon Access LED bulbs, installation is so quick and easy that retrofitting them is childs play! There's no need for compatibility checks or adapter rings: Philips Ultinon Access LED bulbs come with an ultracompact body and an integrated IEC 60061 compatible base. Their direct-fit design features the same footprint as halogen bulbs, enabling straightforward installation in tight spaces. They fit easily into vehicles equipped with fog-type bulbs and ensure broad compatibility with most vehicle models*

Beam outperforms halogen

Philips Ultinon Access LED bulbs are designed to offer a better light beam performance than halogen bulbs in a compact, universal design. Using the latest innovations in LED technology, they provide the same luminous flux as standard ECE halogen bulbs but significantly improve beam performance using less energy. Philips Ultinon Access LED bulbs provide drivers with better on-road vision, making it easier to spot obstacles and drive more safely.

Automotive-standards compliant

Technologically advanced, Philips lighting has been renowned in the automotive industry for over 100 years. Aware that the performance of our products depends on their compatibility with the demands of today's automotive environment, we design our products as closely as possible to industry standards. Our Philips Ultinon Access LED bulbs comply with EMI standards for electromagnetic interference. Precision-engineered to withstand the rigors of modern automotive life, our bulbs won't disrupt the operation of other vehicle components.

Long-lasting performance

Philips Ultinon Access LED bulbs are rigorously tested and checked to ensure long-term durability and long-lasting performance. Our range offers up to three times the life of a comparable halogen bulb and homogeneous light throughout the bulbs lifespan. The Philips warranty policy covers Philips Ultinon Access LED bulbs**. Enjoy the best of todays technology with Philips Ultinon Access LED bulbs.

Specifications

Marketing specifications

Product highlight: Direct-fit LED bulb Expected benefits: Simple and fast installation

Product description

Application: Fog Base: PGJ19-1/3/5

Designation: LED Fog 11366 12V U2500 C2
Designation LED Type: [≈H8], [≈H9], [≈H16]
Operating Temperature: -40°C / +85°C

Range: Ultinon Access Technology: LED Type: H8, H9, H11, H16 Homologation ECE R37: No Homologation ECE R10 Polarity free

Lifetime

Life time: 1500 hours

Light characteristics

Color temperature: 6000 K Lumens [lm]: 1800

Electrical characteristics

Wattage: 20 W Voltage: 12 V

Ordering information

Order entry: 11366U2500C2 Ordering code: 02599994

Packaging Data

EAN1: 8719018025999 EAN3: 8719018026002 Packaging type: C2

Packed product information

Length: 9.15 cm Width: 4.6 cm Height: 7.65 cm Pack Quantity: 2 pcs

MOQ (for professionals): 4 sets / 8 pcs

Outerpack information

Length: 20.2 cm Width: 10.5 cm Height: 10 cm
