Shave wet & dry

S6540/99

Clean shave. Reduced skin irritation.

Philips Norelco Shaver 6540 delivers a clean shave while reducing skin irritation. Only Philips Norelco has ComfortGlide(TM) rings, a special protective coating with skin gliding properties to shield your face from redness and irritation.

Easy to use

- Replacement heads provide an additional year of close shaves
- One touch open, for easy cleaning
- Fully charges in 1 hour or 5 minute quick charge
- 60 minutes of cordless shaving after a one-hour charge
- 3-level battery indicator and intuitive display

Skin comfort

- Click-on Trimmer for use on mustache and sideburns
- Heads flex in 8 directions to catch hard-to-reach hair

Shaving performance

- ComfortGlide rings protect your face from irritation

A close and comfortable result

- Blades raise then cut long and short hairs for a fast shave
- Get a convenient dry shave or a more comfortable wet shave

Highlights

MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

Click-on Precision Trimmer

Click on our skin-friendly Precision Trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

Shave wet or dry

Get a convenient dry shave or a more comfortable wet shave with gel or foam – even in the shower.

ComfortGlide Rings

Shaving heads are surrounded with ComfortGlide rings, which have a special protective coating with skin gliding properties to shield your face from irritation. Series 6000 offers 10x better protection than the best-selling blade.

MultiFlex Heads

Heads flex in 8 directions to follow the curves of your face, even catching hair in hard-to-reach areas like the neck and jaw line.

Replacement shaving heads

Includes SH50 replacement shaving heads for an additional year of close shaves.

OneTouch Open

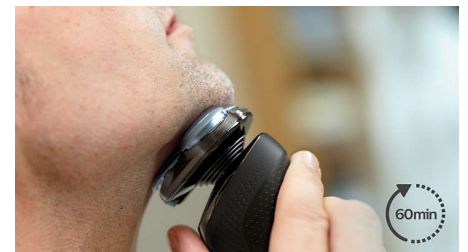

Simply pop the heads open, and rinse thoroughly under the tap.

1-hour charge time

The powerful Li-ion battery fully charges in 60 minutes. Do a 5 minute quick charge and you'll have enough power for one shave.

60 minutes of cordless shaving

Shave longer with our powerful and lithium-ion battery. You'll have 60 minutes of shaving time – that's about 17 shaves – on a one-hour charge.

LED display

The intuitive display features a 3-level Battery Indicator – Cleaning Indicator – Battery Low Indicator – Replacement Head Indicator – Travel Lock Indicator.
