Self-sharpening steel blades

Stainless steel blades remain as sharp as day one for long-lasting performance. No oil required.

BeardSense technology

The trimmer scans the beard density 125 x per second and boosts power exactly when you need it to tackle dense, bushy or longer beards.

15-in-1 trimmer

This all-in-one trimmer offers 15 tools for all your grooming needs. Conveniently trim and style your facial hair, clip your hair and groom your body.

Precision beard styling

The trimmer and its multi-comb set offer 22 length settings from 0.5 to 16 mm in up to 0.2 mm precision steps for shorter and longer beard styles. The narrow design of the precision trimmer attachment makes it easy to create sharp edges and fine details. Clean up cheeks, chin and neck with the metal trimmer to finish your look.

Comfortable body grooming

Shave comfortably below the neck with our body shaver attachment. A unique skin-protection system guards sensitive areas while you shave as close as 0.5 mm. You can also trim body hair with the click-on comb.

Fast hair clipping**

Hair clipping is 30% faster** thanks to an extra-wide 41 mm stainless steel hair clipper that cuts more with every stroke. Create your hairstyle with length settings with the 4, 9, 12 and 16 mm extra-wide hair combs.

Nose/ear/eyebrow trimming

The nose/ear trimmer attachment removes unwanted nose and ear hair quickly and safely. Easily keep your eyebrows neat and tidy with the dedicated eyebrow comb.
