Highlights

Choice of 3 pairs of ear caps

Ear caps come in a choice of 3 sizes – small, medium and large – for a personalized and perfect fit.

Passive noise isolation

The perfect, snug fit inside your ear stops unwanted background noise detracting from the pure pleasure of your favorite music. This means you still enjoy the headphones' superb sound quality at lower volume settings, and also benefit from a longer battery life.

Powerful sound

With powerful 9mm drivers these headphones deliver a balanced sound experience coupled with a punchy bass performance.

Premium metal housing

Housed in superior metal, these earphones are shielded from unnecessary vibration for accurate sound transmission, resulting in smooth bass response and clear mid-to-high range tones.

Rubberized neckband

A soft rubberized neckband design for ultimate convenience and stability.

Wireless music and calls

Enjoy the freedom of listening music and phone calls - without the hassle of a cable. Change tracks, volume control, and answer calls with an easy to use remote control.
