3D Angled Speakers
Blu-ray 3D playback

HTS5580

Obsessed with sound

True cinematic experience with sound evenly spread

This full-digital system delivers outstanding surround sound, providing a theatre-like movie experience in your home. It plays back a wide variety of formats from any sort of disc and from portable media players and USB sticks.

Great listening experience

- 3D Angled Speakers disperse sound evenly around the room
- 1000 W RMS power delivers great sound for movies and music
- Dolby TrueHD and DTS-HD for high fidelity surround sound
- DoubleBASS technology for fuller and deeper bass

Designed to enhance your living space

- Sleek high gloss finishing with unique touch controls

Connect and enjoy all your entertainment

- Full HD 3D Blu-ray for a truly immersive 3D movie experience
- Plays 3D Blu-ray Discs, DVDs, VCDs, CDs and USB devices
- Wireless rear audio ready for fewer wires across your room

PHILIPS

Highlights

Full HD 3D Blu-ray

Be enthralled by 3D movies in your own living room on a Full HD 3D TV. Active 3D uses the latest generation of fast switching displays for real life depth and realism in full 1080 x 1920 HD resolution. By watching these images through special glasses with right and left lenses that are timed to open and close in synchrony with alternating images, the full HD 3D viewing experience is created. Premium 3D movie releases on Blu-ray offer a wide, high quality selection of content. Blu-ray also delivers uncompressed surround sound for an unbelievably real audio experience.

3D Angled speakers

3D Angled Speakers feature angled drivers to deliver sound not only towards the front but also to the sides, creating a wider sweet spot so you can enjoy more immersive and cinematic surround sound.

1000 W RMS power

1000 W RMS power delivers great sound for movies and music

Dolby TrueHD and DTS-HD

Dolby TrueHD and DTS-HD Master Audio Essential deliver the finest sound from your Blu-ray Discs. Audio reproduced is virtually indistinguishable from the studio master, so you hear what the creators intended for you to hear. Dolby TrueHD and DTS-HD Master Audio Essential complete your high definition entertainment experience.

DoubleBASS technology

DoubleBASS ensures you hear even the deepest bass tones from compact-sized

subwoofers. It captures low frequencies and recreates them in the audible range of the subwoofer - delivering sound with more boom and panache, and ensuring you get a full, uncompromised listening experience.

Sleek high gloss finishing

Sleek high gloss finishing with unique touch controls

Plays it all

Play virtually any disc and any media format you want - whether they are 3D Blu-ray Discs, DVDs, VCDs, CDs or USB devices.

Experience the unbeatable convenience of great playability, and the luxury of sharing media files on your TV or home theatre system.
