- 4" woofers for improved bass and extended sound spectrum
- Dynamic Bass Boost for deep and dramatic sound

Easy to use

- Wake up and sleep timer functions
- Single remote control for the system and iPod

PHILIPS

Highlights

USB Direct for MP3/WMA music

Simply plug in your device to the USB port on your Philips Hi-Fi system. Your digital music will be played directly from the device. Now you can share your favorite moments with family and friends.

2.1 with built-in subwoofer

2.1 system with a built-in subwoofer

10.2 cm (4") woofers

4" woofers for improved bass and extended sound spectrum

Dynamic Bass Boost

Dynamic Bass Boost maximizes your music enjoyment by emphasizing the bass content of the music throughout the range of volume

settings - from low to high – at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.
