- Connect your favorite sources for bigger sound

See it. Hear it. Love it.

- Integrated wall brackets
- Place on your TV table, the wall, or any flat surface
- Slim geometrical design. Low profile
- Distinctive geometric design. Easy placement

PHILIPS

Highlights

HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV.

Distinctive geometric design

This soundbar boasts a unique slanted design and a low profile. When it comes to placement, the included wall brackets keep your options open. The compact design of the powerful subwoofer makes it easy to conceal.

Integrated wall brackets

Integrated wall brackets

Place on any flat surface

Place on your TV table, the wall, or any flat surface

Robust metal grille

Robust metal grille for clear sound

4 EQ modes

4 EQ modes optimize sound for what you're watching

Your favorite tunes

Movie over? Time for a post-series-finale discussion? Once the on-screen drama has ended, switch the soundbar to Bluetooth and cue up a playlist. Or play your tunes straight from USB. You'll enjoy the same rich sound, whatever you love to listen to.

Connect your favorite sources

Stream playlists from your mobile devices via Bluetooth. Connect audio sources via audio-in or HDMI. Whatever you love, it will sound louder and clearer through this soundbar.

Distinctive design

The beautifully simple, angled design and low profile make a statement in any home. When it comes to placement, the included wall brackets keep your options open. The slim design of the powerful subwoofer makes it easy to conceal.

2.1 channels

The crackle of laser fire. The roar of a crowd. 2.1 channels bring new levels of sound to your favorite movies and shows. The compact wired subwoofer delivers satisfying bass. Explosions will rumble. Music sounds fuller.
