Highlights

Automatic slideshow

Automatic slideshows start from the memory card for all those moments you don't want to spend time copying photos to your PhotoFrame.

High resolution display

High resolution display for optimum viewing enjoyment

imagen Pro for vibrant colors

The unique Philips imagen enhancement technology automatically analyzes your photos to correct color and adjust for optimal contrast. imagen Pro is a more advanced image enhancement which includes the 3 essential elements from imagen to have more color accuracy, color depth and smart contrast. On top of these, imagen Pro offers enhanced skin color, sharper images and flicker-free photo viewing which is very important for still pictures.

Keep time with fun clocks

Switch to the clock mode when you don't need to view photos. Instantly, your PhotoFrame become a clock.

Minimal packaging design

Minimal packaging materials used to save the environment
