# Highlights

## Bass Beat vents

Bass beat vents allow air movement for better sound with a deep rich bass.

## Light weight headband

The light weight material used for the headband

## Comfortable to wear

This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

## TV Headphone

Designed to make TV viewing a more personal experience, this headphone has a longer cable and its own volume control so you can sit further away from the TV. It's great for listening to your HiFi equipment too.

## 6m cable

Extra long 6m cable for you to connect your headphones to TV or any audio equipment.

## In-line volume control

Adjust the volume to your preferred level without having to go to the audio source unit.
