A5PRO

Professional DJ Headphones

in collaboration with Armin van Buuren

5-time World's Best DJ winner, Armin van Buuren collaborated with Philips to bring you the A5-PRO headphones. Backed by his experience, the A5 is engineered to meet the highest standards and demands of international DJs and industry pros.

For DJs and audio professionals

- Source-accurate sound reproduction
- 50 mm drivers engineered for 3500mW power handling
- Superior sound isolation for use in loud environments
- Closed-back architecture with isolating supra-aural cushions

Comfortable for long sessions

- 90 degree swivel ear-shells for DJ monitoring
- Detachable, replaceable and comfortable ear cushions
- Soft, comfortable headband cushioning

Functional and durable

- Folds into a compact form for easy storing and carrying
- 1.3 m cable with coiled section extending to 4.7 m
- Aluminium-hinged alloy steel headband for enhanced durability

Ideal DJ accessories

- 3 sizes of replaceable cushions to suit different uses

PHILIPS

Professional DJ headphones
50-mm drivers/closed-back Over-ear, Supra-aural cushions, Full folding

A5PRO/00

Highlights

50 mm drivers handling 3500mW

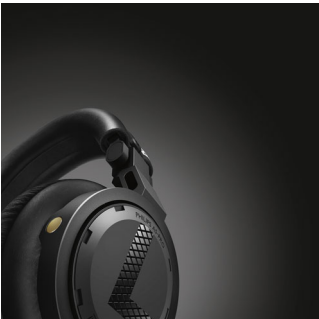

High powered 50 mm neodymium drivers are engineered for 3500mW power handling – no matter what the source is. Sound delivery is clear, dynamic and distortion-free even at high volumes or with high audio input power.

90 degree swivel ear-shells

Designed with the professional DJ in mind, the earpieces on these headphones can each rotate 90° – for convenient one-ear listening while track mixing. The swivel can also be put to good use even in more casual listening, when temporary attention has to be paid to external sounds.

Aluminium hinge construction

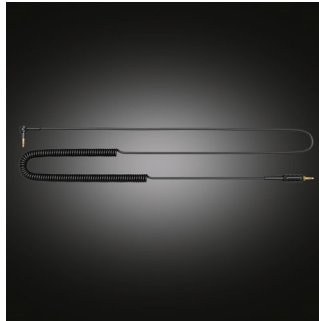

The Philips A5-PRO combines robust construction with exceptional fit. With its hard

anodised-finish and sturdy yet lightweight aluminium structure, it is the perfect companion to withstand any active DJ environment.

Closed-back architecture

Closed-back system blocks out ambient noise.

Coiled cable expands to 4.7 m

Enjoy greater freedom of movement with a 1.3 m long cable with a coiled section that can extend to 4.7 m. The coil also reduces the strain on parts caused by pulling, while providing extra extension without the tangled mess of cables.

Comfortable ear cushions

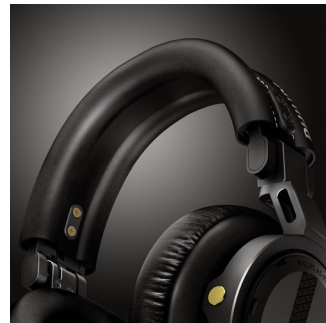

The earphone materials are carefully selected to ensure both long-wearing comfort and enhanced sound performance. Deluxe breathable ear pads are designed for optimal ergonomic fit as well as to seal in bass sounds while keeping out ambient noise.

Folds into compact form

Designed to give you the best experience on the go, your DJ headphones can be folded away for perfect portability and easy storage. Smart design and careful selection of components, like well-built hinges, allow the headphone parts to be manoeuvred with ease.

Soft, comfortable headband

The soft-cushioned headband provides long-wearing comfort.

Source-accurate sound

The sound reproduction stays true to the original and lets you get the most out of your music.

Superior sound isolation

Soft sealing cushions isolate your ears from the outside world, so you can focus on the beat without distraction.

Specifications

Sound

- Acoustic system: closed
- Frequency response: 10 – 24,000 Hz
- Impedance: 16 Ohm
- Magnet type: Neodymium
- Maximum power input: 3500mW
- Sensitivity: 105 dB
- Speaker diameter: 50 mm
- Diaphragm: PET

Connectivity

- Cable Connection: one-sided
- Cable length: 1.3 m – 4.7 m
- Finishing of connector: Gold-plated
- Type of cable: Coiled Cable

Packaging dimensions

- EAN: 69 23410 72875 0
- Packaging dimensions (W x H x D):
19.5 x 24 x 11 cm
- Gross weight: 0.9942 kg
- Net weight: 0.5182 kg

- Number of products included: 1
- Packaging type: Carton
- Tare weight: 0.476 kg
- Type of shelf placement: Both

Outer Carton

- Gross weight: 2.254 kg
- GTIN: 1 69 23410 72875 7
- Outer carton (L x W x H): 23.2 x 20.4 x 26 cm
- Net weight: 1.0364 kg
- Number of consumer packages: 2
- Tare weight: 1.2176 kg

Product dimensions

- Product dimensions (W x H x D):
17.5 x 19.5 x 9 cm
- Weight: 0.405 kg

Accessories

- Adapter plug: 3.5 - 6.3 mm
- Coiled cable
