TUNING

## *Tip*
*Detailed playback features and additional functions are described in the accompanied owner's manual.*

*Notes for the remote control:*
*–  First, select the source you wish to control by pressing one of the source select keys on the remote control (CD or TUNER, for example).*
*–  Then select the desired function ( ▶❚❚, ❙◀, ▶❙ for example).*

## *Playing iPod / Philips GoGear using the dock*

**1** Select the correct dock supplied, as indicated on the bottom panel of the dock, to work with either your Apple iPod or Philips GoGear.

**2** Select the correct dock adaptor supplied, then snap the adaptor into the dock to provide a snug fit for the player.
- For the iPod adaptors, the indication on the adaptor's back fits specific iPod player.
- For the Philips adaptors, a number marked on the adaptor's back fits specific Philips GoGear player.

**3** Correctly place your iPod or Philips GoGear in the dock.

**4** Using the docking cable supplied, connect the **DOCKING OUT** jack and Mini-USB port on the dock to **DOCKING IN** jacks (L and R) and Mini-USB port on the main set, marked-red to R jack, and marked-white to L jack.

**5** Press **SOURCE** repeatedly or on the set (or **DOCK** on the remote) to select DOCK source.
- For Philips GoGear player, make sure that you have powered it on before selecting DOCK source.
- The connected player will play automatically.
- The iPod/Philips GoGear battery will be charged in either standby mode or power-on mode.

**Tip**
*Refer to the user manual supplied for detailed descriptions of "Compatible portable player", "Selecting the correct dock adaptor", "Installing the dock adaptor", and the important notes for dock operation.*
