Enrich your sound experience

- Dome tweeter for detailed and natural sound
- Treble and Bass Control for easy high and low tone settings
- 160W RMS total output power

Easy to use

- Motorized CD loader for convenience access
- Radio Data System for station information and data services

Highlights

Dome tweeter

Dome tweeters reproduce clear high and mid-range frequencies that enhance the overall

sound clarity coming from the speakers. Delivering a harmonious blend of undistorted and uncolored wide-ranging sound, they offer

detailed vocal clarity and instruments tone purity, thereby balancing the overall sound when paired with a combination of woofers.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
