Highlights

Built-in rechargeable battery

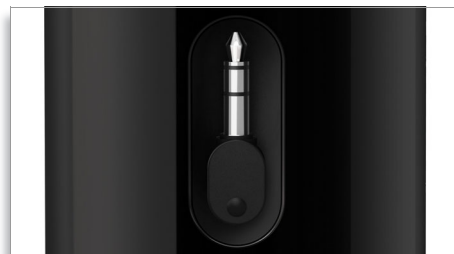

Play music out loud - anytime, anywhere. The built-in rechargeable battery lets you enjoy your personal music without the fuss of tangled power cords and the inconvenient search for an electrical socket. Enjoy great music with the freedom of portability now.

Built-in USB port

This speaker comes with a USB port, allowing you to conveniently charge your device. Simply connect your device with its USB cable to the back of the speaker.

Built-in retractable cable

The built-in retractable cable minimises cable tangling and is ideal for cable management. It also allows easy storage of the speaker when not in use.
