# The towering art of sound

## Obsessed with sound

Listen to your music using high quality wireless Bluetooth® streaming, CD playback, iPod, iPad and iPhone connectivity with DualDock or plug a device into the Aux-in. This all-encompassing 3.1 system is all you need for powerful sound.

**Enrich your sound experience**
- 3.1 speaker system with a built-in subwoofer
- Pure digital processing technology for best sound clarity
- 200W RMS total output power
- LivingSound for wider, immersive stereo sound

**Enjoy your music from multiple sources**
- USB Direct for MP3/WMA music playback
- Audio-in for portable music playback
- FM digital tuning with presets
- DualDock to charge & play Apple devices (Lightning & 30-pin)
- Play MP3-CD, CD and CD-R/RW
- Wireless music streaming via Bluetooth with Aptx support

**Design that blends into your interior(s)**
- Unique tower design to fit your lifestyle

**PHILIPS**

Fidelio

# Highlights

## Pure digital sound

Advanced pure digital sound processing technology offers vastly superior sound performance compared to the conventional analog audio processing technology that is found in docking players that use the analog audio output from an iPod/iPhone. By collecting the iPod's/iPhone's digital audio output and employing digital processing at each stage of the circuit, a much higher Signal-to-Noise ratio is produced. The result is unsurpassed sound clarity that is in perfect balance.

## 200W RMS

This system has 200W RMS total output power. RMS refers to Root Mean Square which is a typical measurement of audio power, or rather, the electrical power transferred from an audio amplifier to a loudspeaker, which is measured in watts. The amount of electrical power delivered to the loudspeaker and its sensitivity determines the sound power that is generated. The higher the wattage, the better the sound power emitted by the speaker.

## USB Direct

With the USB Direct mode, simply plug in your USB device to the USB port on your Philips device and your digital music will be played directly from the Philips device.

## FM digital tuning with presets

Digital FM radio offers you additional music options to your music collection on your Philips audio system. Simply tune into the station that you want to preset, press and hold the preset button to memorize the frequency. With preset radio stations that can be stored, you can quickly access your favorite radio station without having to manually tune the frequencies each time.
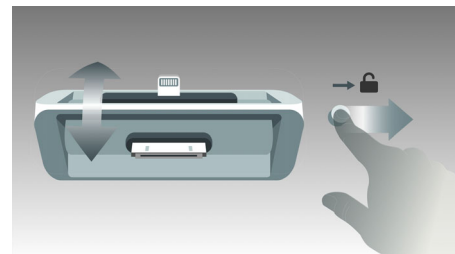

## Audio-in

The Audio in connectivity allows direct playback of Audio in content from portable media players. Besides the benefit of enjoying your favorite music in the superior sound quality delivered by the audio system, the Audio in is also extremely convenient as all you have to do is to plug your portable MP3 player to the audio system.

## DualDock to charge & play

The innovative Philips DualDock with Lightning and 30-pin connector can charge and play any Apple device. Created to meld sleek styling with effortless functionality, you can switch between either connecter in a flash. Enjoy your favorite tunes no matter what Apple device you want to use.

## Play MP3-CD, CD and CD-R/RW

MP3 stands for "MPEG 1 Audio layer-7.6 cm (3") .MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. MP3 has become the standard audio compression format used on the world wide web, allowing quick and easy audio file transfer.

## Bluetooth with AptX support

Wireless music streaming via Bluetooth with Aptx support

# Specifications

## Sound
- Output power (RMS): 200W
- Sound enhancement: digital sound control 4 modes, Dynamic Bass Boost, LivingSound
- Volume control: up/down

## Loudspeakers
- Main Speaker: 5" woofer, Bass Reflex Speaker System
- No. of built-in speakers: 4
- Subwoofer types: passive

## Audio Playback
- Playback Media: CD, CD-R, CD-RW, MP3-CD, WMA-CD, USB flash drive
- Disc Playback Modes: Repeat/one/all/program, Shuffle Play, 20-Track Programmable, Fast Forward/Backward, Next/Previous Track Search
- Loader Type: Motorised, Tray
- ID3-tag support
- USB Direct Modes: Fast Backward/Fast Forward, Play/Pause, Previous/Next, Program Play, Repeat, Shuffle, Stop
- Cradle playback mode: Charging iPhone, Charging iPod, Charging iPad

## Tuner/Reception/Transmission
- Tuner Bands: FM Stereo
- Auto digital tuning
- Tuner Enhancements: Auto Store
- RDS: Program Type, Station Name, RDS Clock Set
- Station presets: 20
- Antenna: FM antenna (75 ohm)

## Connectivity
- Other connections: FM Antenna
- 3.5mm stereo line in: MP3 Link
- Rear Connections: AUX in
- Bluetooth profiles: A2DP

## Convenience
- Alarms: CD Alarm, Radio Alarm, Sleep timer, USB alarm
- Clock: On main display, sleep timer
- Display Type: VFD display
- Eco Power Standby: 0.5 watt
- Indications: DIM mode
- Charging device: iPad, iPhone, iPod, iPad Mini
- Display type: VFD display

## Accessories
- Included accessories: AC Power Cord, FM antenna
- Quick start guide: English, German, Dutch, French, Spanish, Italian
- Remote control
- User Manual: 16 languages
- Cables/Connection: 3.5 mm stereo line in cable, power cord
- Others: User Manual

## Dimensions
- Packaging dimensions (W x H x D): 1120 x 334 x 370 mm
- Gross weight: 12.5 kg
- Net weight: 9 kg
- Main unit depth: 300 mm
- Main unit height: 994 mm
- Main unit width: 300 mm

## Power
- Power supply: 220-240V, 50Hz

## Audio playback
- Docking playback modes: fast forward and backward, next and previous track, play and pause
- Playback media: CD, MP3-CD, USB flash drive, WMA-CD

## iPod compatibility
- Compatible with: iPod nano 7th generation, iPod touch 5th generation, iPod nano 1st Generation, iPod nano 2nd Generation, iPod nano 3rd Generation, iPod nano 4th Generation, iPod nano 5th Generation, iPod nano 6th generation, iPod touch, iPod touch 2nd Generation, iPod touch 3rd generation, iPod touch 4th generation
- via Bluetooth: iPod nano 7th generation, iPod touch 3rd generation, iPod touch 4th generation, iPod touch 5th generation
- via Lightning connector: iPod nano 7th generation, iPod touch 5th generation

## iPhone compatibility
- via Bluetooth: iPhone 3G, iPhone 3GS, iPhone 4, iPhone 4S, iPhone 5, iPhone 6, iPhone 6 Plus, iPhone 6S, iPhone 6S plus, iPhone SE
- via Lightning connector: iPhone 5, iPhone 6, iPhone 6 Plus, iPhone 6S, iPhone 6S Plus, iPhone SE
- via 30-pin connector: iPhone 3G, iPhone 3GS, iPhone 4, iPhone 4S

## iPad compatibility
- Compatible with: iPad mini, iPad with Retina display, iPad, iPad 2, The new iPad, iPad Air 2, iPad mini 2, iPad mini 4, iPad mini with Retina display, iPad Pro
- via Bluetooth: iPad Air 2, iPad mini 2, iPad mini 4, iPad Pro
