Rich bass

This Philips PC speaker provides good sound quality with a rich bass experience from a loudspeaker box system.

Compatible with any media

Compatible with any media

AUDIO-IN (3.5mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device to the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.

AUX-in for easy connection

AUX-in for easy connection to almost any electronic device

12W sound output power

Rich bass radiators with 12W output enable small speakers to reproduce bass frequencies more effectively without having to increase their size. So better bass with less space!
