Highlights

16GB storage capacity

A useful 16GB gives you the capacity to swap and share much larger or more files via the USB port of your PC or laptop.

Stylish and light design

Designed to be slim and light. This compact stylish design enables you to take data with you wherever you go. Always have your multimedia files and documents with you when you need them.

Trendy colorful design

Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.
