DC 9V

A

PHILIPS

ENGLISH

Step *A*

• Connect the supplied mains adapter to the set's 9V DC jack and the plug into a wall outlet.

Step *B*

How to set the Clock & Alarm time

1. Press and hold **SET TIME** or **1 ALM/2 ALM** until the hour digits flash.
2. Press and hold ◄◄ ►► to adjust time.
3. Press **SET TIME** or **1 ALM/2 ALM** to confirm.
• Repeat the **steps 2-3** to complete all the other time items setting.

Selecting the Alarm mode

4. Press ◄◄ ►►/**SOURCE** repeatedly to select your desired alarm mode.
• For Nature sound mode, press **ALBUM/PRESET -/+ ◄ / ►** to select your desired nature sound track.

Helpful hints:
– *If you have selected TUNER alarm mode, make sure you have properly tuned to a station before turning off the set (**See Tuning to radio station**).*
– *If you have selected iPod/USB alarm mode, make sure you have connected the compatible iPod player or USB device, or the buzzer mode will be selected automatically.*

3 ways to switch off the alarm

• Either press briefly: **POWER** ⏻ or **REPEAT ALARM/BRIGHTNESS CONTROL**.
• Press **1 ALM** or **2 ALM**.

Step *C*

Tuning to radio station

1. Press **SOURCE** once or more to switch on the radio.
2. Press ◄◄ ►► repeatedly to tune to your station.

• To store a preset, press **PROG** to activate the programming, and then press **ALBUM/PRESET -/+ ◄ / ►** to select a desired preset number, and then press **PROG** again to confirm.
• To store preset radio stations automatically, press and hold **PROG** for more than two seconds.

Step *D*

Playing Apple iPod using DC200

1. Remove the top cover of dock.
2. Snap the correct adaptor (supplied) into the dock to provide a snug fit for the iPod player.
• The indication on the adaptor's back fits specific iPod player.
3. Snap the compatible iPod into the dock connector.
4. Press **SOURCE** repeatedly to select the iPod mode.
• The connected player will play automatically.

Helpful hints:
– *By using the buttons (►II, ◄◄, ►► and VOLUME) on the DC200, the following iPod playback features are available: Play/Pause, selecting next/previous track, fast forwarding/ rewinding and changing volume.*
– *Refer to the user manual supplied for detailed descriptions of "Compatible portable player", "Selecting the correct dock adaptor" and the important notes for dock operation.*

Step *E*

Playing a USB mass storage device

1. Make sure that your DC200 is being powered by AC mains.
2. Press **SOURCE** repeatedly to select the USB mode.
3. Plug a compatible USB mass storage device to DC200's USB port marked ⟵•⟶.
➜ Playback will start automatically.
