- Single cable connection for quick installation in the car
- Car adaptor and mounting strap included
- Stereo headphone jack for better personal music enjoyment

PHILIPS

Portable DVD Player
22.9 cm (9") LCD Dual screens

PD9012M/37

Highlights

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD, and CD – all of them can play on the DVD player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

MP3-CD, CD and CD-RW playback

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without

radically degrading their audio quality. A single CD can store up to 10 hours of music.

View JPEG from picture disc

Play JPEG photos that are saved on your disc. Relive your favorite moments with family and friends anytime you want!

22.9cm/9" TFT color widescreen

The high resolution color LCD display brings images to life, showing off your treasured photos, favorite movies and music with the same 'real life' rich detail and vibrant colors as high quality prints.

Dual TFT LCD display screens

Dual screens allow you to display same videos or images from the portable DVD players. Simply plug in and mount the screens on the headrests in your car. Now you can enjoy your favorite DVD movies and JPEG photos with family and friends at the backseats easily and comfortably.

Power Resume

The DVD-Video player remembers where you stop watching last time when it is powered off directly or when the power supply discontinued. If you did not switch to play another disc, your player will resume play where you have stopped the movie last time just by reloading the disc. Making your life a lot easier!

Specifications

Product dimensions

- Product dimensions (W x H x D):
24,2 x 7,6 x 18,1 cm
- Product dimensions (W x H x D):
9,5 x 3,0 x 7,1 inch
- Weight: 1,281 kg
- Weight: 2,824 lb

Picture/Display

- Display screen type: LCD TFT
