Highlights

17.8 cm (7") HD LCD display

The high resolution (800 x 480 pixel) color LCD display brings images to life, showing off your treasured photos, favorite movies and music with the same 'real life' rich detail and vibrant colors as high quality prints.

MPEG4 HDTV on DVB-T tuner*

HDTV allows you to watch TV in the best possible picture and sound quality, without additional set-top box. Thanks to the built in tuner that supports DVB-Terrestrial signal for both MPEG-2 and MPEG-4 formats, you receive high definition TV programs in exceptional quality.

USB connection

Simply plug in your portable USB device to the USB connector on your Philips portable DVD player and playback your digital videos, music or photos directly. Now you can share your favorite moments with family and friends.
