# Highlights

## Big, bold bass **Wireless Sub**

The compact wireless subwoofer packs a big, bold and punchy bass that will shake the room.

## Connect your favorite sources

Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in or optical input. Whatever you love, it will sound louder and clearer through this soundbar.

## Flexible placement

Enjoy the versatility of this home theater system that allows you to place it where you

will. Whether on a TV stand, on a table or mounted on a wall, the product looks sensational and functions without compromise. For once, you get to control how your home looks without giving up an incredible home theater experience.

## HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV.
