# Highlights

## 3-way adjustable ear shells

Enjoy a comfortable fit and experience better bass performance thanks to the three-way adjustable ear shells that fit naturally around your ears.

## Full size design

Full-size earshells of these Philips headphones not only cover your whole ear for better sound quality, but also provide space for a larger, higher performance driver.

## 40 mm speaker driver

The 40 mm speaker driver is made of a composite mylar material for a highly sensitive yet powerful element that delivers sound without audible distortion.

## FM Wireless transmission

With high frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.

## Convenient automatic tuning

Convenient automatic tuning ensures best reception

## Preformed soft ear-cushions

Preformed soft ear-cushions ensure a comfortable fit

## Simple, convenient charging

Simple, convenient charging with a wireless dock
