- Qi wireless technology
- USB-C port with Power Delivery support

### Portable power

- Fast charging: delivers more power for a faster charge
- Works with USB-based devices
- Works anywhere - great when you're not near a power source

# Highlights

**LED power-indicator light**

The discreet LED light glows softly to let you know at a glance that the unit is powered.

**Fast charging**

Don't sit around waiting for your device to charge! The power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

**Qi wireless technology**

The wireless charging, Qi technology, is widely adopted by smartphones and other mobile devices. Philips wireless chargers are compatible with phones and other devices enabled with Qi wireless technology. Simply put the devices on this pad and you will enjoy the effortless charging experience.
