- Number of brands in database: Over 1100
- Carrier frequency range: 24 - 55 kHz
- Transmission angle: 90 degree
- Learning IR codes
- Learning frequency range: 20 kHz to 70 kHz and 455 kHz

## Power

- Battery lifetime: 12 Months
- Number of batteries: 2
- Battery type: AAA

## Outer Carton

- Quantity: 6
- EAN/UPC/GTIN: 87 10895 93601 9
- Height: 172 mm
- Length: 312 mm
- Width: 151 mm

## Packaging Data

- 12NC: 908210006483
- EAN/UPC/GTIN: 87 10895 93600 2
- Height: 33 mm
- Length: 304 mm
- Width: 157 mm

# Highlights

## 4-in-1 remote control

Replace a table full of remote controls with one robust unit that operates your TV, DVD player/recorder, satellite receiver, digital terrestrial receiver or cable set-top box (STB) and VCR, regardless of the brand or model.

## Learning functionality

Learning functionality refers to the process through which a remote control captures and stores infrared signals from other remotes for later use. When device codes are not included in the on-board database, they can always be learned from the original remote, simply by pointing to it.

## Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

## Dedicated SKYTv keys

Specially labelled function keys on the remote control make operating your SKYTv digital set-top box easier than ever before.

## Chrome finish

Stylish chrome finish that looks good and complements the latest equipment design.

## Splash and shock resistant

The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.

## Battery-low indication

To know in time when the batteries need to be recharged or replaced.

## Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
