

USB power bank

- 10,000 mAh
- White
- USB A and Type-C charging port

DLP8718NC/00

Slim and powerful power bank

With build-in Type C cable.

Big 10000mAh capacity with LED battery level display. No more hassle when your cellphone is out of battery. This the ideal travel mate to provide power to all your mobile devices.

Benefits

Portable power

- Works anywhere - great when you're not near a power source
- Works with USB-based devices
- Fast charging: delivers more power for a faster charge

Confirm operation at a glance

- LED power-indicator light

Features

LED power-indicator light

The discreet LED light glows softly to let you know at a glance that the unit is powered.

Works anywhere

Even if you're not near a wall or car charger, you can recharge your device's battery with the convenient battery pack. The intelligent battery pack supplies power first, so you can remove the pack after use and still have a full battery on your device.

PHILIPS

Works with USB-based devices

The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.

Fast charging

Don't sit around waiting for your device to charge! The power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.
