PHILIPS

1 Connect

A Placement

Proper speakers system placement is important to ensure optimum sound performance.

- 1 Place the centre speaker above or close to the TV.
- 2 Place the subwoofer on the floor, at least one metre away from the TV.
- 3 Place the front speakers at equal distances from the TV.
- 4 Place the rear speakers at normal listening ear level.

B Connect the main unit to TV

- Connect a composite video cable (supplied) from the CVBS socket on the main unit to the VIDEO IN socket on your TV.

Note It is important to connect the main unit directly to your TV.

C Connect the speakers and subwoofer

Connect the various coloured plugs from the speakers and subwoofer to the same coloured sockets at the rear of the main unit.

D Connect the radio antennas and power cable

Keep the antennas away from the electronic devices to prevent unwanted interference.

- 1 Connect the FM antenna to the inner pin of the FM 75 Ω socket. Extend the wire for optimum reception.
- 2 Unfold the AM/MW loop antenna and fix the claw into the slot. Push the tabs and insert the wires into the AM/MW sockets.
- 3 Connect in the power cable from the main unit to the AC power outlet.

E Connect audio output from TV (optional)

To hear the TV audio through this home theatre system, use a red and white audio cables (not supplied) to connect the AUDIO IN-TV sockets on the main unit to the AUDIO OUT sockets on your TV.

Note Press **TV** on the remote control to get the sound output from the speakers system when watching the TV programmes.

2 Set up

A Finding the viewing channel

- 1 Press **STANDBY ON** on the main unit to turn it on.
- 2 Turn on the TV. Use the TV's remote control to select the correct viewing channel.

Note To search for the correct viewing channel, press the Channel Down button on the TV's remote control repeatedly (or AV, SELECT, **TV** button) until you see the Video In channel.

B Select the display language on the screen

- 1 Press **SETUP**. The { General Setup Page } appears.

- 2 Press **▼** to select { OSD Language } and press **►**.
- 3 Use **▼▲** keys to select a language option in the menu and press **OK** to confirm.
- 4 Press **SETUP** to exit.

Note The language set here is only for the menus that are shown on the TV while operating this Home Theatre system, not for the DVD disc menu.

There are various setup options (Audio Setup, Video Setup, Preference Setup) available on this Home Theatre System. Refer to the user manual for more information.
