Highlights

Tough and IPX7 waterproof

This portable Bluetooth speaker is IPX7-rated—which means it can withstand total immersion in water up to 1 m deep for up to 30 minutes. You can party in the shower, by the pool, or even in the pool! The wireless range is 20 m.

8 hours play time

Sound stays clear even when you play the music loud, and a passive radiator boosts the bass. You get 8 hours play time, and a full charge takes 2.5 hours. The Bluetooth connection is stable, and pairing is simple.

Pick your colorway

Always do you. This small Bluetooth speaker is available in several colorways, so you can rock your style. The matching carry strap makes it easy to tote the speaker wherever you go.
