Highlights

Sumptuous Muirhead leather.

The brown Muirhead leather that covers the power bank is sustainably and ethically sourced. Beautifully soft and textured, this high-performance leather also ensures the power bank doesn't slip on shiny surfaces.

Wireless charging. 10000 mAh

The beauty of this 10000 mAh power bank is more than just skin-deep. The leather body cleverly hides a wireless Qi charging pad. The large charging surface makes it easy to place a phone on the pad and the maximum charge power is 5 W.

Understated luxury.

This beautiful power bank is both simple and striking. Home, office or hotel room—the contrasting design always makes a beautiful impression. Discreet brand signatures nod subtly to Philips and Georg Jensen.

Minimal design.

The dark-brown silicone carry strap incorporates USB-A to USB-C connections to charge the power bank.
