- Number of consumer packages: 24

# Highlights

## Customisable PC headset

Customisable ear shells on this PC headset allow you to stand out with shells that match your personal style.

## Comfortable ear cushions

The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

## 40 mm speaker driver

The 40 mm speaker driver is made of a composite Mylar material for a highly sensitive yet powerful element that delivers sound without audible distortion.

## Highly sensitive microphone

For clear and uninterrupted online conversations, this PC headset is the perfect solution as it comes with a highly sensitive microphone that picks up your voice.

## Adjustable Comfort level

No matter how you like to 'feel' your headphones, this unique headband construction will always provide you with a personalised, comfortable fit. With height adjustment, you can comfortably wear the headphone for a much longer period.

## In-line mute and volume control

Mute your voice or adjust the volume without having to go to the audio source device.
