Highlights

Lightweight, portable design

The durable, lightweight material and design mean you can carry the speakers with you wherever you go.

Up to 10 m wireless range

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to iPod/iPhone/iPad or other Bluetooth devices, such as smartphones, tablets or even laptops. So you can enjoy your favorite music, sound from video or game wirelessly on this speaker easily.
