More to love

- Classic looks. Modern functions
- Internet radio. DAB+ FM radio
- Spotify Connect. Bluetooth. Audio-in. CD player
- USB port. Connect a legacy source or charge a mobile

PHILIPS

Highlights

All your music

From classic tunes to the latest podcasts. You can stream Spotify's best-quality signal over Wi-Fi with Spotify Connect. You can also stream playlists and more via Bluetooth, play CDs or connect to other sources via audio-in or USB.

Internet radio, DAB+ FM

Internet radio is your ticket to thousands of global stations broadcasting every conceivable

kind of programme. The digital tuner delivers crystal-clear reception and you can set presets for your favourite internet, DAB+ or FM stations.

Crisp highs and rich low tones

Bookshelf-style loudspeakers give you great sound with crisp highs from the dome tweeters and powerful bass from 5.25" woofers and bass-reflex ports. A 100 W maximum output brings big sound to any room. Perfect for a lounge or open-plan living space.

Classic looks

The matte aluminium central unit and wooden speaker cabinets recall the design of hi-fi separates. A clear colour display shows the source or station, as well as album art and song

information. Textured dials control volume, source selection and tuning.

Digital Sound Control

Hip-hop or choral, symphony or rock opera? Whatever you love, this micro system's Digital Sound Control function lets you enjoy it more. Pick from preset sound styles designed to bring out the best in your music.

At home in your home

This AC-powered micro system looks great in any room. Bluetooth wireless range is 10 m and you can charge a smart device via the USB port. An easy-to-use remote puts key functions at your fingertips.
