Highlights

Ergonomic headband

The simple, ergonomic headband is fully adjustable to fit any kid's head comfortably and grow alongside them.

Maximum volume limited

Kid's Headphones let you rest assured that its volume levels are safe for your child. The volume is tuned to a maximum limit of 85dB for safe enjoyment.

Neodymium speaker drivers

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality.

Soft ear cushions

The ear shells are completely cushioned with soft foam for ultimate comfort and secure.

Stainless steel headband

No matter how rough its little master, the stainless steel headband will be survive.

Ultra lightweight headband

The slim headband is so ultra light and comfortable that it's a joy to wear for hours on end. Kids may easily forget that they even have it on.
