SHP1800

Ultra Lightweight + 6m TV cable

For TV

A lightweight headphone for long use, with a 6m cable extension for more freedom of movement and sitting area choice. In addition, bass beat vents provide rich deep sound.

The perfect listening experience

- Bass beat vents allow air movement for better sound

You'll forget you're wearing them!

- Lightweight headband enhances comfort and adds durability
- Comfort is enhanced for long-term use

Always ready

- Headphone specifically made for TV and HiFi equipment
- A 6m-long cable means you can sit where you like
- In-line control that simplifies volume adjustment

- Tare weight: .34 kg

Highlights

Bass Beat vents

Bass beat vents allow air movement for better sound with a deep rich bass.

Light weight headband

The light weight material used for the headband

Comfortable to wear

This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

TV Headphone

Designed to make TV viewing a more personal experience, this headphone has a longer cable and its own volume control so you can sit further away from the TV. It's great for listening to your HiFi equipment too.

6 meter cable

Connect your headphone to your TV or audio equipment, and sit further away than is possible with a standard cable.

In-line volume control

Adjust the volume to your preferred level without having to go to the audio source unit.
