# Highlights

## Beautifully simple

The gloss-black display clearly shows the time, station information and DAB signal strength. You can adjust the display brightness, and this alarm clock also has a battery backup. If there's a power failure, you won't have to reset the clock.

## Gentle Wake

The Gentle Wake function deploys a gradually increasing alarm to ease you into the day. You can set it to work with the alarm tone or the radio.

## One clock, two wake-up calls

The dual alarm function lets you set two different alarms. Perfect if you're likely to snooze through the first alarm. Or if your partner needs to wake before you.

## Crackle-free radio reception

From nonstop music to the latest news, this digital radio is your ticket to better listening. The DAB+ tuner delivers crystal-clear reception, and you can set up to 20 presets for your favourite stations.
