## Power

- Mains power
- Battery type: LR14
- Battery voltage: 1.5 V
- Number of batteries: 6

## Accessories

- Included accessories: AC Power Cord, User Manual, Warranty certificate

## Dimensions

- Packaging dimensions (W x H x D): 284 x 155 x 264 mm
- Product dimensions (W x H x D): 262 x 123 x 245 mm
- Weight: 1.6 kg
- Weight incl. Packaging: 2 kg

# Highlights

## Dynamic Bass Boost

Dynamic Bass Boost maximizes your music enjoyment by emphasizing the bass content of the music throughout the range of volume settings - from low to high - at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.

## CD Shuffle/Repeat

The "Shuffle/Repeat" function helps you to get rid of the boredom of hearing your music played in the same order all the time. After loading your favorite songs to the player, all you have to do is to select one of the modes - "Shuffle" or "Repeat" for your tunes to be played in different modes order. Enjoy the different and unique music experience every time you hook up to your player.

## FM/MW tuner

FM/MW (AM) stereo tuner

## Line-in connection
