Highlights

BASS boost button

These wireless headphones boast 8.2 mm neodymium drivers that give you clear sound and punchy bass. When you want more, simply press the BASS boost button on the in-line remote. You'll feel the difference instantly.

10 hours of play time

You get 10 hours play time from a 2 hour charge via USB-C. If you're running low on power, a quick 15 minute charge will give you

another 1.5 hours. The flat headphone cable sits comfortably behind your neck whether the earbuds are in or out.

Secure, flexible, comfortable

The oval acoustic tube and interchangeable earbud covers give you a comfortable in-ear fit. Soft wing tips fit snugly under the ridge of your ear, enabling a secure fit and better passive noise isolation.

Inline remote.

Take a call, pause your playlist. All without touching your smartphone. Smart Bluetooth pairing means these headphones remember the last devices they were paired with.

Quick Charge.

If you need an extra boost, just 15 minutes of Quick Charge gives you an extra 1.5 hours of play time.

Smart pairing.

One long press of the multi-function button gets these wireless Bluetooth headphones ready to pair. Once they're paired, the headphones remember the last device they were paired with.
