Highlights

Beautifully simple

The gloss-black display clearly shows the time, station information and DAB signal strength. You can adjust the display brightness, and this alarm clock also has a battery backup. If there's a power failure, you won't have to reset the clock.

Gentle Wake

The Gentle Wake function deploys a gradually increasing alarm to ease you into the day. You can set it to work with the alarm tone or the radio.

One clock, two wake-up calls

The dual alarm function lets you set two different alarms. Perfect if you're likely to snooze through the first alarm. Or if your partner needs to wake before you.

Crackle-free radio reception

From nonstop music to the latest news, this digital radio is your ticket to better listening. The DAB+ tuner delivers crystal-clear reception, and you can set up to 20 presets for your favourite stations.
