

# Simply Superior Performance

The ultimate flexible storage tool - best value for money and ease of use for home or office

With its superior performance, reliability and speed, the half-height ED16DVDS portable DVD rewriter is ideal for home or office use, particularly for backing up your valuable data. Supplied complete with Nero™ software for drag-and-drop file transfer and simply connected via a USB 2.0 port, it is very easy to use and install. Fully compatible with all popular DVD formats, including 8.5 GB double-layer technology, it offers the 16x writing speed for DVD+R/-R discs and 8.5 GB on one single disc enabling more than 4 hours of DVD quality video.

## Superior Quality

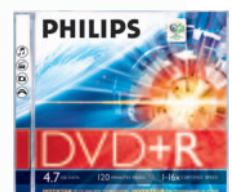

- Read back your DVD's on any device
- Writes and reads both +RW and -RW DVD's
- Reliable burning with Seamless Link Technology

## Superior Value

- Burn 8.5 GB of data on one DVD
- Award winning Nero Suite 6 software included
- 2 year warranty

## Superior Ease of Use

- Copy and edit your video's with drag-and-drop simplicity
- 'How to' user guide for easy step by step instruction
- Connect to PC or laptop in matter of seconds
