Play from iPod/iPhone

1

With the connectors facing each other, place the iPod/iPhone in the dock.
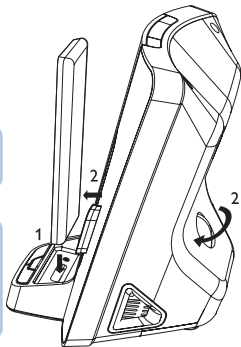

2

Turn the tilt adjustment control to adjust the angle at which the iPod/iPhone tilts.
→ When the DC350 is connected to power, the docked iPod/iPhone begins to charge.

3

Press **iPod/iPhone** to select iPod/iPhone source.
→ The connected iPod/iPhone plays automatically.

Listen to radio

1

Press **TUNER** to select FM.

2

Press and hold ◄◄/►► for more than 2 seconds.
→ The radio tunes to a station with strong reception automatically.

3

Press and hold **PROG** for 2 seconds to activate program mode.
→ "PR01" blinks on the display.

4

Press **PRESET +/-** to allocate a number (1 to 40) to this radio station, then press **PROG** to confirm.

5

Repeat the steps 2-4 to program other stations.

6

Press **PRESET +/-** to select a preset number.

Use Bluetooth devices

> **Note:**
> *The operational range between this DC350 and a bluetooth device is approximate 10 meters (30 feet).*

Connect a device for the first time

1

Press **BLUETOOTH** to select the Bluetooth source.
➔ [BT] (Bluetooth) is displayed.

2

Press and hold **PAIRING** for more than 3 seconds.
➔ [PAIRING] (Pairing) is displayed, and the Bluetooth indicator blinks.

3

On the device, set up the Bluetooth connection:
➔ Enable Bluetooth to search for other Bluetooth devices. (Refer to the user manual on how to enable the function.)
➔ When " PHILIPS DC350" is recognized and displayed, select it to start to connect.
➔ When prompted for a password, enter "0000".

4

Wait until you hear a double beep from the DC350.
➔ The connection is completed, and the Bluetooth indicator turns on.

Receive a phone call

> **Note:**
> *You can receive phone calls through this DC350 with devices that support the HFP or HSP profile.*

1

Connect the Bluetooth device.

Step C *Enjoy*

2

When a call is received, you hear the incoming call alert tone. Press **PAIRING**✆ to accept the call.
➔ To reject the call, press ☎.

3

Speak into the **MIC** located on the front panel.
➔ To select to hear the audio from the device or from the DC350, press **PAIRING**✆.

4

Press ☎ to end the call.

Listen to music

Note:
You can listen to audio through this DC350 from devices that support A2DP or AVRC.

1

Connect the Bluetooth device.

2

On the Bluetooth device, start play.
➔ You hear the music through this DC350.

Tip:
Refer to the supplied user manual for more details.
